Approving Design Review for a generator and screen fence

WHEREAS, the Town of Jerome has received an application from Matt Lavoire (Harry Merkin Trust and Joel William Vuylsteke Trustee) for preliminary and final design review approvals to construct a backup generator and screen fence at 103 Dundee Avenue (APN 401-11-015M); and

WHEREAS, the property is in the R1-5 zoning district; and

WHEREAS, the Design Review Board has determined that a public hearing is not necessary under Zoning Ordinance Section 304.F.5.; and

WHEREAS, the Design Review process is intended to promote and preserve Jerome's economic and environmental well-being and preserve its distinctive character, natural attractiveness, and overall architectural quality, all of which contribute substantially to its viability as a recreational and tourist center and to its designation as a National Historic Landmark, and

WHEREAS, the Design Review Board has carefully reviewed the applicant's proposal and finds that the applicable criteria have been satisfied:

- a. **ACCESSORY FEATURES** – Fences, walkways, decks, stairways, lighting, antenna and other manmade structures shall be visually compatible with buildings, structures, and places to which they are visually related.
- b. **SCREENING** – The proposed addition, alteration or other changes shall be screened with appropriate materials and in an appropriate design so as to be visually compatible with related properties, when, in the opinion of the Design Review Board, all other means of assuring visual compatibility are not reasonably possible.

NOW, THEREFORE, BE IT RESOLVED by the Design Review Board of the Town of Jerome, Arizona, that the preliminary and final design for 103 Dundee Avenue is hereby approved, subject to the following conditions:

1. **Expiration of Approval** – this approval shall become null and void if a building permit is not issued within six (6) months of final Design Review Board approval of this application. If necessary, the applicants may request an extension by the approval body, if the extension is submitted prior to approval expiration.
2. **Appeal** – Any applicant who is aggrieved by the Design Review Board decision may petition the Mayor or Council for a review within thirty (30) days of the decision. Questions of aesthetics or design standards are not appealable to the Mayor and Council but may be presented to a Court of Record within thirty (30) days of the decision. Additionally, if in the opinion of the Zoning Administrator a decision is not in conformance with the Zoning Code or Comprehensive plan, the Zoning Administrator may request a review by the Mayor and Council within thirty (30) days. By specific motion during an official meeting, the Mayor and Council may refuse to consider a request for review brought by the Zoning Administrator. Finally, the Mayor and Council shall maintain the right to review all decisions of the Design Review Board.

ADOPTED AND APPROVED by a majority vote of the Design Review Board on the 5th day of April 2021.
