SECTION 302. CONDITIONAL USE PERMITS

E. COUNCIL ACTION ~~AND APPEALS~~

1. Upon receipt from the Zoning Administrator of a Planning and Zoning Commission recommended action on a Conditional Use Permit application, the Town Clerk shall place the permit on the regular Council meeting agenda first following the 15th day after approval of the permit by the Planning Commission.
- ~~2. Any person may file an appeal with the Jerome Town Council over any decision of the Planning and Zoning Commission regarding the granting, or denying, of use permits. Such appeal must be filed with the Council within fifteen (15) days after Commission action.~~
- ~~3. When written appeal is filed with the Town Clerk, the Council shall evaluate the appeal at their regular meeting where the use permit is agendized for Council's action. Where an appeal has been filed, the Council may elect to set the matter for a public hearing, and if such action is taken, a legal notice shall be published at least once in the official newspaper of the Town and the property included in the application shall be posted at least fifteen (15) days prior to the hearing date. Notice shall be given to the Planning Commission of such appeal and the Commission shall submit a report to the Council setting forth the reasons for its action taken. The Commission shall be represented at the hearings by the Commission Chairman or his designee.~~
- ~~4.2.~~ The Council shall within fifteen (15) days after their regular meeting or public hearing, act on the recommendation of the Planning and Zoning Commission by either affirming, reversing or modifying the action of the Planning and Zoning Commission. The Town Council may make a decision based on its own findings.
- ~~5.3.~~ The Council may designate such conditions in connection with the permit as it deems necessary to secure the intent and purpose of this Ordinance and may require such guarantees and ~~evidences~~ evidence that such conditions are being, or will be, complied with.
- ~~6.4.~~ The Council's decision shall be final and shall become effective immediately. Notice of the decision shall be mailed to the applicant at the address shown in the application.

F. TIME LIMITS

1. Use permits become effective immediately upon action by the Town Council.
2. Any use permit issued by the Town Council shall be commenced within six (6) months from the date of Council ratification, and diligently pursued, otherwise it shall become null and void.
3. No person shall reapply for the same or substantially the same use permit on the same or substantially the same plot, lot, or parcel of land within a period of one (1) year from the date of denial or revocation of said use permit.
4. An extension of approval may be granted if the applicant files for the extension prior to the approval becoming void and the extension is granted by the town council. The Town Council may grant up to two additional extensions provided the approval is in compliance with all ordinances and requirements in effect at the time of the extension request. Application for an extension shall be accompanied by a filing fee in an amount established by a schedule adopted by resolution of the Council and filed in the office of the Town Clerk.

G. REVOCATION

Use permits granted in accordance with the provisions of this ordinance may be revoked if any of the conditions of terms of the permit are violated or if any law or ordinance is violated in connection therewith.

The Zoning Administrator shall notify the permittee, by regular ~~First-Class~~First-Class mail, of a violation or termination of a use permit. If no attempt to change the violation is made within ~~ten-fifteen~~ (15+0) days after notification, the permit shall be revoked and considered null and void.

Any use permit shall be considered null and void if construction does not conform to the originally approved site plan. Any deviations requested from the originally approved site plan shall be processed as a new use permit.

H. FEE

The application for a conditional use permit shall be accompanied by a filing fee in an amount established by a schedule adopted by resolution of the Council and filed in the office of the Town Clerk. No part of the filing fee shall be returnable. Payment of the filing fee shall be waived when the petitioner is the Town, County, State or Federal Government.

2. All copies of the approved plan, with any conditions ~~shown from the approving board thereon or attached thereto~~, shall be dated and signed by the Zoning Administrator. One (1) copy of said approved plan and conditions together with a notification of all ~~Design design Review review~~ requirements and procedures shall be distributed mailed to the applicant and one (1) copy shall be filed with the Building Inspector.

[Ord. No. 293]

SECTION 303.3. GRADING AND EXCAVATION REQUIREMENTS

All excavation and grading shall be performed in accordance with these provisions.

This section shall not affect existing legal uses of property or the right to continuation of such legal use. However, if a nonconforming use of a structure or land is discontinued for six (6) months, any further use shall comply with these requirements.

~~Projects with grading or excavation of greater than fifty (50) cubic yards of material shall comply with these requirements.~~

Where the combined proposed cut and fill exceeds ten (10) cubic yards, the applicant must obtain a separate grading permit from the Building Inspector. An assessment by a civil, structural, or soils engineer may be required to show site stability and lack of negative impact.

Six (6) months from the date of approval of a grading permit, the approval becomes void if the grading permit has not been issued.

Exploratory excavation of ten (10) cubic yards or less can proceed with the approval of the Zoning Administrator and Building Inspector. The applicant shall submit plans for approval by the Planning and Zoning Commission for all excavation in excess of ten (10) cubic yards.

A. APPROVAL PROCEDURE

1. Any person wishing to do any grading, filling, excavation, cutting or other site earthwork shall submit plans, drawings and supporting data including the quantity of cut and the quantity of fill and any other information required by the Zoning Administrator and/or Building Inspector. The Planning and Zoning Commission will look for compliance with these requirements in making its decision.
2. Grading shall be done in conjunction with a site plan filed with the Zoning Administrator. Such plan will be presented to the Planning and Zoning Commission at its next regularly scheduled meeting. Grading, excavation and fill shall not:
 - a. adversely affect the lateral support of adjacent property or structures;
 - b. increase the stresses in or pressures upon any adjacent or contiguous property;
 - c. physically infringe on adjacent property;
 - d. include detrimental excavation or stockpiling;
 - e. be in a public right-of-way; ~~and/or~~
 - f. have a negative impact on existing drainage.
3. The effect of the proposal on scenic views will be considered for potential impact.
4. Where the slope exceeds thirty-five (35), percent engineering reports shall be required under the Site Plan requirements of the Jerome Zoning Ordinance.

B. POST-APPROVAL PROCEDURE

If approved by the Planning and Zoning Commission, the activity will be carried out as stipulated in these requirements. The activities described below shall be performed by licensed contractors where required by law.

1. All grading and excavation shall be performed with safety precautions and any anti-erosion or drainage devices required by the Building Inspector.

7. Cuts shall be accomplished to blend scale, form, and visual character into the natural ~~land forms~~landforms and minimize exposed scars.
8. Cuts shall be adequately fenced.
9. Driveway slope shall not exceed fifteen (15) percent, where possible, within topographic constraints. In every case, driveways shall blend in with the surrounding natural colors, and shall have adequate measures taken for runoff and drainage.
10. Fills shall be accomplished to blend scale, form, and visual character into the natural ~~land forms~~landforms and minimize exposed scars.
11. The Building Inspector may require further supporting data to ensure stability.

C. RESPONSIBILITIES OF THE APPLICANT

1. The applicant his agent contractor or employee shall carry out the proposed work in accordance with the approved plans and specifications and in compliance with all Jerome Zoning Ordinance requirements.
2. During grading operations, the applicant shall be responsible for the prevention of damage to any street or drainage facilities or to any public utilities or services.
3. The applicant is responsible for the prevention of damage to adjacent property, and no person shall excavate on land sufficiently close to the property line to endanger any adjoining public street sidewalk alley or other public or private property prior to supporting and protecting such property from settling, cracking or other damage that might result.
4. No modification of the approved grading, excavating or fill plans may be made without the approval of the Planning and Zoning Commission.
5. Neither the issuance of a permit or approval under these requirements, nor the compliance with the provisions hereof, or with any conditions imposed in the permit issued hereunder, shall relieve any person from responsibility for damage to other persons or property, nor impose any liability upon the Town of Jerome for damage to other persons or property.
6. An as-built plan including original ground surface elevations, as-built surface elevations, site drainage patterns and location and elevations of all surface and sub-surface drainage facilities shall be submitted upon completion of work. If required by the Building Inspector, a civil engineer's certification shall be provided for the final plan.

SECTION 303.4. APPEALS AND EXPIRATION OF APPROVALS

D.A. APPEALS

1. Any applicant, person residing within 300 feet of the project, or person ~~or persons~~ directly adversely affected may appeal a decision of the Planning and Zoning Commission to the Town Council by filing a written notice of appeal with the Town Clerk not later than ~~thirty fifteen (30) 15~~ days from date of the ~~Commission's~~ commission's decision. If the appellant is not the applicant and resides beyond 300 feet of the project, the appellant shall clearly demonstrate how they might be adversely affected by the proposed project.
2. When a written appeal is filed with the Town Clerk, the Council shall evaluate the appeal at their next available regular or special meeting. Where an appeal has been filed, the Council may elect to set the matter for a public hearing. If such action is taken, a legal notice shall be published at least once in the official newspaper of the Town; the site shall be posted at least fifteen (15) days prior to the hearing date; and notice shall be mailed to property owners within 300 feet of the site.  - a. In passing on an application for demolition, partial demolition, or removal, the Design Review Board shall consider, among other things, the architectural or aesthetic quality or significance of the building or structure to the public interests of the Town.
 - b. If the Design Review Board finds that the preservation and protection of historic places and the public interest will best be served by postponing the demolition, partial demolition, or removal of a building or structure, it may postpone such action for a designated period, which shall not exceed one hundred eighty (180) days from the receipt of the application, and shall notify the applicant of such postponement. Within the period of postponement such demolition or alteration of any building, the Design Review Board shall take steps to ascertain what the Town Council can or may do to preserve such building, including consultation with private civic groups, interested private citizens and other public boards or agencies and including investigation of the potential use of the power of eminent domain when the preservation of a given building is clearly in the interest of the general welfare of the community and of certain historic and architectural significance. The Design Review Board shall then make such recommendations thereabout to the Town Council as the Board may determine to submit.

4. The Design Review Board shall review a submitted application for Design Approval of Signs and shall have the power to approve, conditionally approve, or disapprove all such requests, basing its decision on the following criteria:
 - a. MATERIALS – Signs made of wood are preferred.
 - b. LETTERING – Lettering and symbols on signs should be routed, applied, or painted on the surface of the signing material.
 - c. COLORS – Colors of a sign shall be visually compatible to the colors of buildings, structures, and signs to which the sign is visually related.
 - d. EXCEPTIONS – The Design Review Board may waive the requirements of this Section and Section 507 in order to allow the preservation or restoration of signs or commercial graphics which are determined to be of historical significance or of particular interest.
5. ~~The Design Review Board shall have thirty (30) days from the date of submission of a complete application to review the request and approve, conditionally approve, or reject, said request, and notify the applicant of his decision in writing. If, however, the Design Review Board wishes to hold a public hearing on the request, the Board shall fix a reasonable time for such hearing, but not more than forty five (45) days from the date of submission of a complete application. Prior to holding a public hearing, a Neighborhood Meeting may be required in accordance with Section 306 of this Zoning Ordinance. The Design Review Board shall give notice of the hearing at which the application will be considered by publication of notice in the official newspaper of the Town and by posting the property affected not less than, fifteen (15) days prior to the hearing. The notice shall set forth the time and place of the hearing and include a general explanation of the matter to be considered. In such case, the Design Review Board shall render its decision within fifteen (15) days after the public hearing.~~
6. ~~If the decision is to deny the request for Design Approval, the applicant shall be so notified in writing, and the decision shall set forth in detail the reasons for denial.~~
7. ~~If the decision is to approve or conditionally approve the request for Design Approval, all copies of the approved plan, with any conditions shown thereon or attached thereto, shall be dated and signed by the chairman of the Design Review Board. One (1) copy of said approved plan and conditions shall be mailed to the applicant, one (1) copy shall be filed with the Building Inspector, and one (1) with the Zoning Administrator.~~

[Ord. No. 374; Ord. No. 406; Ord. No. 451]

G.I. APPEALS AND EXPIRATION OF APPROVALS

~~When, in the opinion of the Design Review Board, upon hearing and considering all relevant information, a project is not in keeping with either the tenets of this Ordinance or the Jerome Comprehensive Plan, the project shall be denied by specific motion of the Board. Any applicant who is aggrieved by such a decision may petition the Mayor or Council for a review within thirty (30) days of the decision. Questions of esthetics or design standards are not appealable to the Mayor and Council, but may be presented to a Court of Record within thirty (30) days of the decision. Additionally, if in the opinion of the Zoning Administrator a decision is not in conformance with the Zoning Code or Comprehensive plan, the Zoning Administrator may request a review by the Mayor and Council within thirty (30) days. By specific motion during an official meeting, the Mayor and Council may refuse to consider a request for review brought by the Zoning Administrator. Finally, the Mayor and Council shall maintain the right to review any and all decisions of the Design Review Board.~~

1. Any applicant, person residing within 300 feet of the project, or person adversely affected, may appeal a decision of the Design Review Board to the Town Council by filing a written notice of appeal with the Town Clerk not later than fifteen (15) days from the date of the

board's decision. If the appellant is not the applicant and resides beyond 300 feet of the project, the appellant shall clearly demonstrate how they might be adversely affected by the proposed project.

2. When a written appeal is filed with the Town Clerk, the Council shall evaluate the appeal at their next available regular or special meeting. Where an appeal has been filed, the Council may elect to set the matter for a public hearing. If such action is taken, a legal notice shall be published at least once in the official newspaper of the Town, the site shall be posted at least fifteen (15) days prior to the hearing date, and notice shall be mailed to property owners within 300 feet of the site. Notice shall also be given to the Design Review Board and the appellant. The Zoning Administrator shall submit a report to the Council with all relevant information and set forth the reasons for action taken by the Design Review Board.
3. An appeal may be filed by persons aggrieved or by any officer, department, board, or bureau of the municipality affected by a decision of the Zoning Administrator. Appeals will be forwarded to the Board of Adjustment by filing a written notice of appeal with the Zoning Administrator, no later than fifteen (15) days from the date of the Zoning Administrator's decision.
4. Six (6) months from the date of approval, a plan approval becomes void if a building permit has not been issued and/or work has not commenced.
5. A building permit may not be issued by the Building Inspector until the fifteen (15)-day appeal period has expired.
6. An extension of approval may be granted if the applicant files for an extension prior to the approval becoming void and the extension is granted by the approving board. The approving board may grant a second extension provided the approval is in compliance with all ordinances and requirements in effect at the time of the extension request. Any additional extension requests require review by the Town Council. Application for an extension shall be accompanied by a filing fee in an amount established by a schedule adopted by resolution of the Council and filed in the office of the Town Clerk.

H. EXPIRATION OF DESIGN REVIEW APPROVAL

- ~~1. Six (6) months from the date of approval, a Design Approval becomes void if a building permit has not been issued.~~
- ~~2. An extension of approval may be granted if the applicant files for an extension prior to the approval becoming void and the extension is granted by the Design Review Board.~~
- ~~3. The Zoning Administrator shall notify the permittee by mail of an expiration of Design Approval.~~

H.J. VIOLATIONS AND ENFORCEMENT

1. Prior to the issuance of a building permit, the Building Inspector shall ascertain that the Design Review Board has approved plans ~~which are~~ in conformance to those presented with the ~~Building building Permit permit~~ application, and that the time limitations imposed by this ordinance have not elapsed.
2. The Zoning Administrator shall ~~ensure~~ that all matters are undertaken according to the conditions of the ~~Design design Approval approval. Approval.~~ In the event of a violation, the Zoning Administrator shall notify the permittee, by mail, that he is in violation of the conditions of the ~~Design design Approval approval. Approval.~~ If no attempt to change the circumstances of the violation is made within ~~ten fifteen (15+0)~~ days after notification, the building permit shall be revoked and considered null and void.
3. Violations, Enforcements and Fines. If, ~~thirty fifteen (1530)~~ days after written

notification by the Zoning Administrator, a citizen is still in violation of this ordinance, the Zoning Administrator shall take appropriate legal action to abate the violation.

~~J. EXCLUSIONS~~

~~Nothing in this Section shall be construed to prevent the ordinary maintenance or repair of any exterior elements of any building or structure; nor shall anything in this article be construed to prevent the construction, reconstruction, alteration or demolition of any such elements which the authorized municipal officers shall certify as required by public safety.~~

SECTION 305. ADMINISTRATIVE APPEALS AND VARIANCES

A. APPEALS TO THE BOARD OF ADJUSTMENT

1. Appeals to the Board of Adjustment concerning interpretation or administration of this Ordinance may be taken by any person aggrieved or by any officer or department of the Town affected by any decision of the Zoning Administrator.
2. Applications for any matter to be considered by the Board shall be filed with the Zoning Administrator on forms furnished for the purpose within thirty (30) days after the action appealed from, and shall specify the grounds thereof. The Zoning Administrator shall forthwith transmit to the Board all papers constituting the record upon which the action appealed from is taken.
3. The appeal stays all proceedings in the matter appealed from, unless the Zoning Administrator, certifies to the board that, by reason of the facts stated in the certificate, a stay would, in his opinion, cause imminent peril to life or property. In such case, proceedings shall not be stayed, except by a restraining order granted by the Board, or by a court of record on application and notice to the Zoning Administrator.
4. The Board shall hear the appeal within thirty (30) days, and shall give notice of hearing by publication of a notice in the official newspaper of the Town and by posting the property affected not less than fifteen (15) days prior to the hearing. The notice shall set forth the time and place of the hearing and include a general explanation of the matter to be considered.
5. Any party may appear at the hearing in person or by agent or attorney. Parties in interest shall have the right to present their case by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination of witnesses as may be required for a full and true disclosure of the facts.
6. Any aggrieved person may appeal to the Board of Adjustment for a variance from the terms of the Zoning Ordinance only, if because of special circumstances applicable to the property, including its size, shape, topography, location, or surroundings the strict application of the zoning ordinance will deprive such property of privileges enjoyed by other property of same classification in the same zoning district. Any variance granted is subject to such conditions as will assure that the adjustment authorized shall not constitute a grant of special privileges inconsistent with the limitations upon other properties in the vicinity and zone in which such property is located.
7. A variance shall not be granted by the Board unless the alleged hardship caused by literal interpretation of the provisions of this Ordinance results in more than personal inconvenience and/or financial hardship, and is not the result of actions by the appellant.
8. In granting Variance, the Board may impose such conditions and safeguards as are appropriate to insure that the purpose and intent of this Ordinance will be fulfilled. Failure to comply with such conditions and safeguards, when made a part of the terms under which a Variance is granted shall be deemed a violation of this Ordinance.
9. No nonconforming use or violations of this Ordinance with respect to neighboring lands, structures, or buildings, in the same zoning district, and no permitted use of lands, structures or buildings in other zoning districts, shall be considered grounds for granting a variance.
10. Every Variance granted shall be personal to the appellant therefore and shall be transferrable and shall run with the land only after completion of any authorized structure or structures.

SECTION 502. GENERAL PROVISIONS

A. APPLICATION

Except as hereinafter provided, no building, structure, or premise shall be used and no building or structure or part thereof shall be constructed, altered, repaired, improved, moved, removed, erected, demolished, or materially altered except in conformity with the provisions of the zone in which it is located. Any use that is not specifically permitted is hereby declared to be a prohibited use, except as hereinafter provided.

B. USE RESTRICTIONS

1. **PRINCIPAL USES:** Only those uses and groups of uses specifically designated as "Permitted Principal Uses" in zoning district regulations shall be permitted as principal uses; all other uses shall be prohibited as principal uses, except as otherwise provided herein.
2. **CONDITIONAL USES:** Certain specified uses designated as "Conditional Uses" may be permitted as principal uses subject to special conditions of location, design construction, operation and maintenance hereinafter specified in this Ordinance or imposed by the Planning and Zoning Commission.
3. **ACCESSORY USES:** Use normally accessory and incidental to permitted principal or conditional uses shall be permitted as hereinafter specified.
4. **UNSPECIFIED USES:** Whenever a use is proposed which is not listed as a permitted or conditional use in any zone district, the Zoning Administrator shall complete a review of the proposed use to determine its basic characteristics and similarity to existing permitted uses and submit this report to the Planning and Zoning Commission. The Commission shall review the Administrator's report and recommendation and determine in which zone district the proposed use should be placed and forward a recommendation to the Town Council. The Town Council, after reviewing the Administrator's report, Commission's Recommendation and other testimony, shall determine the similarity to the listed permitted uses and shall determine by minute order the proper zone district for the location of the proposed use. A copy of the minute order shall be added to the permitted use section of the appropriate zone district.

C. NONCONFORMING LOTS OF RECORD

1. Notwithstanding any other provisions of this ordinance, a building may be constructed on any lot of record before the adoption of this Ordinance in any zone in which such buildings are permitted even though such lot fails to meet the area or width requirements for within the zone, except that such construction shall conform to any lot coverage and yard requirements of the zone.
2. Where two (2) or more vacant contiguous lots of record are owned by the same person at the time of the passage of the controlling ordinance, the land included in the lots shall be considered to be an undivided parcel and no portion of said parcel shall be used as a building site or sold which does not meet the area and width requirements of the zone in which the lot is located.

D. REDIVIDING OF RECORDED LOTS

No lot may be divided to create a lot not in conformance with these regulations. No lot shall be divided or combined in any manner other than through subdivision procedures as specified by the Subdivision Regulations.

E. STREET AND UTILITY REQUIREMENTS

1. All lots shall abut a public street or legally recorded easement.
2. A building permit shall not be issued for a lot which abuts an undedicated portion of a partly-dedicated public street.
3. A building permit shall not be issued for any lot for which public sewerage or water supply is not available, unless and until the proposed mode of water supply and sewage disposal has been reviewed and approved in writing by the Yavapai County Health Department.

F. SITE UNSUITABILITY

No land shall be used or structure erected where the land is held by the Commission to be unsuitable for such use or structure by reason of flooding, concentrated runoff, inadequate drainage, adverse soil or rock formation, extreme topography, low percolation rate or bearing strength, erosion susceptibility, or any other features likely to be harmful to the health, safety and general welfare of the community. The commission, in applying the provisions of this section, shall state in writing the particular facts upon which its conditions are based. The applicant shall have the right to present evidence contesting such determination to the Council if he desires, whereupon the Council may affirm, modify or withdraw the determination of the unsuitability.

G. DUMPING OR DISPOSAL

1. The use of land for the dumping or disposal of scrap iron, junk, garbage, rubbish or other refuse, or of ashes, slag, or other industrial wastes or by-products, shall be prohibited in every district except as otherwise provided in this Ordinance.
2. The dumping of dirt, sand, rock or other material excavated from the earth shall be permitted in any district, provided that the surface of such material is graded, leaving the ground surface in a condition suitable for other use permitted in the district, provided that such fill does not so increase the elevation of the site as to prevent its development or use for other purposes and provided that such does not increase the susceptibility of the ground to erosion, landslide, flooding, or result in any other dangerous condition.
3. No person, firm or corporation shall strip, excavate or otherwise remove top soil for sale or for use other than on the premises from which the same shall be taken, except in connection with the construction or alteration of a building on such premises and excavation or grading incidental thereto.
4. No yard or other open space surrounding an existing building in any residential zone, or which is hereinafter provided around any building in any residential zone, shall be used for the storage of junk, debris, or abandoned or inoperable vehicles; except as specifically permitted herein, and as provided and regulated in any other applicable Town Ordinances.

H. YARD, LOT, AND AREA REQUIREMENTS

1. No building shall be erected; nor shall any existing building be altered, enlarged, moved, or rebuilt, nor shall any open space surrounding any building be encroached upon or reduced in any manner, except in conformity with the yard, lot, area and building location regulations hereinafter designated for the zone in which such building or open space is located, except, as otherwise specifically provided.

2. No yard or other open space provided about any building for the purpose of complying with the provisions of these Restrictions shall be considered as a yard or open space for any other building; and no yard or other open space on one (1) lot shall be considered as a yard or open space for a building on any lot.
3. Awnings, fire-escape stairs, window-type refrigeration units, suspended or roof evaporative coolers, and forced air furnaces, may not project more than five (5) feet over any required yard, provided that they shall be no closer than three (3) feet to any lot line.
