FROM:	Candace Gallagher, Town Manager/Clerk
то:	Mayor and Council
SUBJECT:	THIRD draft: 2019-20 Town budget
DATE:	June 11, 2018

Here is the third draft of our 2019-20 budget, which includes the following changes discussed at our June 4 meeting:

- Set salary increase at 2.8%, consistent with 2019 Social Security COLA, for most employees.
- Set salary increase at 6% for police officers and Fire Chief (percentage was not discussed; I used 6% as a starting point for further discussion).
- Included longevity bonuses, calculated at 10 cents per hour worked, plus \$10 per full year completed.
- Included holiday gift cards in salary worksheet; deleted from Misc Expense in General Government
- Increased budget for Zoning Administrator salary to \$50,000.
- Reduced to \$5,000 amount budgeted under Properties for repairs to steps next to old Town Hall.

In addition, I made the following changes:

- On salary worksheet, removed library staffer Davis, carried over accidentally from prior year.
- Reduced library revenue from County to account for dues being deducted.
- In General Fund Contingency budget, included \$150,000 in additional HURF revenue which may be received from the State.
- Reduced appropriation under General Government for conventions and seminars.
- Increased appropriation under Water for legal expenses.

The net effect of these changes is to reduce the amount being utilized from General Fund Balance to \$170,000. An updated Fund Balance Recap is provided here.

As requested, I asked our Police Chief, Fire Chief and Public Works Director which three streets they feel are most in need of repair.

Police Chief:

#1. Center Street (based on condition and traffic volume) remember this is one of the only alternate routes through upper part of town if 89A is blocked.
#2. Verde Ave (based on condition and traffic volume) Center and Verde handle a lot of traffic for 1st,

2nd, 3rd, 4th and 5th Streets as well as their own residents.

#3. Dundee (based on traffic volume, grade and condition)

Most of the roads in Jerome have maintenance problems. Douglas Rd (city's portion) needs crack sealing really bad before the base is significantly impacted (which is already happening in spots) which will greatly increase repair costs. UVX Road right behind the New State building has had a significant failure in the asphalt that was put down not that long ago, to the point that the base is severely impacted and getting worse each rain (this is not a big repair cost wise, but should be given priority, or we could see some big issues, up to the failure of the retaining wall in that area)

Fire Chief: Fifth, Center Ave, Verde St. They are all bad. Gulch, Holly, Second, Third, Fourth, Giroux, First St, First Ave ...

Public Works Director: School St., Fifth St., Holly

Still to discuss:

- Sixth crew member?
- Air conditioning repairs at Town Hall?
- Cemetery maintenance \$?
- Startup costs for Friends of Jerome?
- Review salaries
- Any additional infrastructure projects
